Spring 2017 Conditions of Admission
Transfer Students

Congratulations! Your academic achievements have earned you admission to the University of California, Merced. You must submit a Statement of Intent to Register (SIR) by Nov. 1, 2016, to secure your admission to UC Merced. Failure to submit your SIR may result in your admission being withdrawn, so it is important to meet this deadline.

Before submitting your SIR, please read and make sure you understand the Conditions of Admission listed below. Submitting your SIR and accepting this offer of admission signifies your acknowledgment that failure to satisfy any of the conditions listed below will result in UC Merced withdrawing its offer of admission. Please note that the $100 SIR fee is nonrefundable, even if your offer of admission is withdrawn.

Applicants are solely responsible for the accuracy and completeness of all academic information they report to UC Merced. If your self-reported information is inconsistent with your actual grades and courses, it will result in cancellation of admission and may jeopardize future admission to any campus of the University of California.

Our admission decision was based on the information you reported in your application. Accuracy is essential to the admissions process, and you must report any changes in your information immediately, regardless of whether you believe that your admission will be affected. Although UC Merced maintains the right to withdraw any offer of admission if any of the conditions listed below are not met, if you make us aware of any changes we may be able to suggest alternatives in the event your admission appears to be jeopardized.

Inform the UC Merced Office of Admissions of any changes by posting them to “myCourseUpdates” in your student portal at my.ucmerced.edu.

Transfer applicants must:

1. Maintain eligibility. Complete all courses you indicated as “in progress” or “planned” with grades of C or better, unless a higher grade is required by your major selection. If you receive a D, F, W, NP or NC grade, you must notify the Office of Admissions immediately by completing the “myCourseUpdates” form in your student portal.

2. Be in good standing (minimum 2.0 grade-point average) at your last institution and in your last term, including summer session.

3. Notify the Office of Admissions immediately of any changes in the planned coursework indicated on your application (specifically, adding or withdrawing from any courses or enrolling in a college other than previously indicated, by posting changes in your student portal). Please note: We strongly discourage you from changing your schedule.

4. Ensure that final official transcripts from all higher-education institutions you attended are received by the Office of Admissions by Jan. 6, 2017. If you or your college(s) cannot comply with these conditions, you must notify the Office of Admissions in advance, by email or telephone. To assist with Orientation, we recommend you submit final official transcripts that include summer and prior coursework no later than Nov. 30, 2016. You can then follow up by sending your fall coursework by Jan. 6, 2017.

5. Your fall term must end prior to the end of December, and you must not be enrolled in a winter intersession at any other college or university.

Please note: To have any potential transferable credit reviewed for course placement at Orientation or during registration for classes, unit credit or subject credit, all official documents, including AP or IB exams scores and/or official college transcripts, must be received in the Office of Admissions by Nov. 30, 2016.

If you have questions about any of the above conditions, please contact us:
