Conditions of Admission for Freshmen Fall 2014

Congratulations! Your academic achievements have earned you admission to the University of California, Merced. Before submitting your Statement of Intent to Register (SIR), please read and make sure you understand the Conditions of Admission listed below. Submitting a positive SIR and accepting this offer of admission signifies your acknowledgment that failure to satisfy any of the conditions listed below will result in UC Merced withdrawing its offer of admission. (Please note: The $100 SIR fee is nonrefundable, even if your offer of admission is withdrawn).

Applicants are solely responsible for the accuracy and completeness of all academic information they report. Inconsistency of self-reported information with actual grades and courses will result in cancellation of admission and might jeopardize future application to any campus of the University of California.

Our admission decision was based on information you reported in your application. Accuracy is essential to this process, and you must report changes immediately, regardless of whether you believe your standing will be affected. Although UC Merced maintains the right to withdraw an offer of admission if any of the below conditions are not met, if you make us aware of changes, we might be able to suggest alternatives in the event your admission appears jeopardized. Inform the UC Merced Office of Admissions of any changes by posting them to “myCourseUpdate” in your student portal at my.ucmerced.edu.

Freshman applicants must:

1. Maintain eligibility. Complete all senior-year courses as listed on your application with a C grade or better and complete all other requirements for admission by the date of your high school graduation.

2. Notify the Office of Admissions immediately if you change any courses from those reported on your application. UC Merced must be given the opportunity to evaluate the change to determine whether it will jeopardize your admission.

3. Notify the Office of Admissions immediately if you earn a senior-year grade below C by posting them to “myCourseUpdate” in your student portal. One D or F grade in your senior year may cause you to be ineligible for the University of California, and you are obligated to report this grade to UC Merced immediately.

4. By July 1, all official high school and college transcripts must arrive in the Office of Admissions.

5. By July 15, all official standardized test results from the ACT with Writing or SAT Reasoning Test must arrive in the Office of Admissions.

6. By July 15, official results of Advanced Placement (AP) or International Baccalaureate (IB) exams must arrive in the Office of Admissions.

7. Complete additional items included in the Freshman Admissions Checklist (enclosed).

Please note: If you enroll in a college summer session, the session must end before UC Merced’s first day of the fall 2014 semester, Aug. 21.

If you are unable to satisfy any of the above conditions, self-report in “myCourseUpdate” at my.ucmerced.edu.
