Conditions of Admission for Freshmen mySpring Offer 2016

Congratulations! Your academic achievements have earned you admission to the University of California, Merced, for the spring 2016 term. Before accepting this offer, please read and make sure you understand the Conditions of Admission listed below. Agreeing to participate in the spring offer program signifies your acknowledgment that failure to satisfy any of the conditions listed below will result in UC Merced withdrawing its offer of admission.

Applicants are solely responsible for the accuracy and completeness of all academic information they report. Inconsistency of self-reported information with actual grades and courses will result in cancellation of admission and might jeopardize future application to any campus of the University of California.

Our admission decision was based on information you reported in your application. Accuracy is essential to this process, and you must report changes immediately, regardless of whether you believe your standing will be affected. Although UC Merced maintains the right to withdraw an offer of admission if any of the below conditions are not met, if you make us aware of changes, we might be able to suggest alternatives in the event your admission appears jeopardized. Inform the UC Merced Office of Admissions of any changes by posting them to “myCourseUpdate” in your student portal at my.ucmerced.edu.

Freshman applicants must:

1. Maintain eligibility. Complete all senior-year courses as listed on your application with a C grade or better and complete all other requirements for admission by the date of your high school graduation.

2. Notify the Office of Admissions immediately if you change any courses from those reported on your application. UC Merced must be given the opportunity to evaluate the change to determine whether it will jeopardize your admission.

3. Notify the Office of Admissions immediately if you earn a senior-year grade below C by posting it to “myCourseUpdate” in your student portal. One D or F grade in your senior year may cause you to be ineligible for the University of California, and you are obligated to report this grade to UC Merced immediately.

4. By July 1, all official high school and college transcripts for courses taken in spring 2015 and prior must arrive in the Office of Admissions.

5. By July 15, all official standardized test results from the ACT with Writing or SAT Reasoning Test must arrive in the Office of Admissions.

6. By July 15, official results of Advanced Placement (AP) or International Baccalaureate (IB) exams must arrive in the Office of Admissions.

7. If you enroll in a college session for the fall 2015 term, the end date must be prior to January 1, 2016.

8. Complete any summer 2015 and fall 2015 college coursework with a C grade or better

10. By January 6, 2016, all official college transcripts for courses completed in the fall 2015 term must arrive in the Office of Admissions.
