☐ START NOW – Make sure the Office of Admissions receives ALL official test scores. Be proactive. You can confirm that we received your official ACT and/or SAT scores. Simply log back in to your UC application at admissions.universityofcalifornia.edu/applicant/login.htm. Do this frequently until you have confirmed that all official test scores have been received. Other official exam scores such as Advanced Placement (AP) and International Baccalaureate (IB) examinations must be sent directly to us. If you are an international applicant and have attended school outside the U.S., please visit your UC Merced portal to ensure you are sending any external examinations needed by the Office of Admissions. These include A-level exams or English language proficiency exams such as TOEFL or IELTS. All official test scores must arrive in the Office of Admissions by July 15. Contact test agencies now to have your official score reports sent.

☐ KEEP IT UP – Maintain your academic program. You must earn grades of C or better. If you receive a D, F, W, NP or NC for any class or change your course schedule, notify the Office of Admissions immediately by visiting your my.ucmerced.edu student portal and selecting “myCourseUpdates.”

☐ SEND YOUR FINAL TRANSCRIPT – The deadline for the Office of Admissions to receive your final transcripts, showing grades received for the spring term, is July 1. Be proactive. Request final, official transcripts from all high schools, colleges and universities attended as soon as possible. Arrange for all documents to be sent to UC Merced Office of Admissions, 5200 N. Lake Road, Merced, CA 95343-5603. Be sure to notify us if you are having difficulties getting your transcripts sent. Check your UC Merced portal frequently to confirm that we have received your official documents and review your checklist for more details.
