## **Introduction**

Thank you for registering for Experience UC Merced. The purpose of this program is for students to have the opportunity to attend a campus tour and sit in on a UC Merced class to gain insight into the classroom experience. As students consider their future, this unique firsthand classroom experience can set UC Merced apart and impact your decision.

## **Terms of Service**

In order to not disrupt classes, we ask that visitors refrain from using their phones in class, arrive 5-10 minutes prior to the beginning of class, and not to leave until the completion of the class time. If you arrive 15 minutes late for check in and the class has started, you will not be able to walk into the classroom. We will advise you to look for an alternative classroom experience later in the day.

The classroom experience is limited to the student participants. Parents, families, or other guests are not permitted in the classrooms due to space constraints but are able to participate in the rest of the program.

We ask that students not walk in and out of the classroom as they please, only when it's needed, such as a restroom break, emergency, or if they absolutely need to leave.

The Office of Admissions reserves the right to review and restrict participation in the Experience UC Merced Program.

## **Acknowledgement**
