## **Terms and Conditions**

Experience UC Merced | Recruitment Team

### **Introduction**

Thank you for registering for Experience UC Merced. The purpose of this program is for students to have the opportunity to attend a campus tour and sit in on a UC Merced class to gain insight into the classroom experience. As students consider their future, this unique firsthand classroom experience can set UC Merced apart and impact your decision.

### **Terms of Service**

To not disrupt classes, we ask that visitors refrain from using their phones in class, arrive 5-10 minutes prior to the beginning of class, and not leave until the completion of the class time. If you arrive 15 minutes late for check in and the class has started, you cannot walk into the classroom. We will advise you to look for an alternative classroom experience later.

The classroom experience is limited to the student participants. Parents, families, or other guests are not permitted in the classrooms due to space constraints but can participate in the rest of the program.

We ask that students not walk in and out of the classroom as they please, only when needed, such as a restroom break, emergency, or if they absolutely need to leave.

The Office of Admissions reserves the right to review and restrict Experience UC Merced Program participation.

### **Acknowledgment**

By reading the terms and conditions, you are acknowledging that you have reviewed and understand the terms of this agreement to participate in the Experience UC Merced program.
