Rufus Bobcat
5200 North Lake Rd.
Merced, CA 95343

Dear Rufus,

Thank you for applying for financial aid at UC Merced! We are pleased to offer you the financial aid award(s) listed on the following page.

It is very important that you visit the My Financial Aid section of connect.ucmerced.edu/student. There you will be able to view detailed award information and messages, view and complete outstanding requirements and view and print a "Federal Shopping Sheet".

Please Note:

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a federal process called 'verification'. The verification process requires UC Merced to verify the information you submitted on the FAFSA. As a result, you are required to submit additional verification documents. Please log-in to My Financial Aid to view and satisfy outstanding requirements on your checklist. You will not be eligible for financial aid until these requirements are complete. Within 4-6 weeks of all of your verification requirements being received and reviewed, your file will be verified by a Financial Aid Advisor. During peak processing times this process could take longer. You will receive an e-mail if we need additional documentation of any kind. In the meantime, you are responsible for adhering to all payment deadlines.

We have identified you as a student who may be eligible for UC's Blue and Gold Opportunity Plan. This plan ensures that your final award will include scholarship and grant support at least equal to your Tuition and Student Services Fee. Your total grant and scholarship aid may even be higher. Scholarship and grant support meeting this minimum commitment may come from a variety of sources, including federal, state and private outside grants and scholarships.

In the future, we will communicate with you via e-mail. We will use the e-mail address you submitted on the FAFSA until you register for courses and then we will use your UC Merced e-mail address.

If you need assistance or have any questions, please do not hesitate to contact our office by email at finaid@ucmerced.edu or the Students First Center by phone at (209) 228-7178.

We are here to help and look forward to working with you as you pursue your education here at UC Merced!

Sincerely,

Ron Radney, Ed.D.

Grants and Scholarships

These are awards that do not have to be repaid or earned through work.

Federal Direct Student Loans

Loans are always optional and are only offered to you to assist in meeting your costs. If you wish to borrow a loan, you must accept it and complete a Master Promissory Note and loan Entrance Counseling. All this can be completed at My Financial Aid.

The State of California requires that you be told the following: Federal student loans are available to most students regardless of income and provide a range of repayment options including income-based repayment plans and loan forgiveness benefits, which other education loans are not required to provide.

Federal Work-Study Opportunity

A Federal Work-Study Opportunity award allows you the opportunity to work in a student employment position. The award is NOT a guarantee of employment. You will need to obtain a student employment position and the money you earn from that position will be paid directly to you through payroll. Student Employment Services is available to assist you in obtaining a student employment position. More information is available at studentjobs.ucmerced.edu.

Estimated Direct Net Costs

Estimated direct costs includes tuition and fees and on-campus room and board estimates based on double-occupancy. Your actual living expenses may be different. The estimated direct costs do not include the cost of health insurance or charges not paid directly to the University.
